MISSISSAUGA, ONTARIO (Thursday, June 8, 2017) #OdysseoSAUGA - As the logistic and technical teams are working on completing the *Odysseo* Village next to Hershey Centre in [Mississauga](#) for the much-anticipated June 21 opening of the largest touring show on earth, *Odysseo's* 65 magnificent horses are enjoying a relaxing 10-day stay at a nearby farm.

After sold-out performances in Chicago, IL, the four-legged stars were transported to a lavish farm in Burlington, ON, in specially equipped trailers alongside *Odysseo's* equine specialists. The *Odysseo* herd comprising horses of 12 different breeds - including Appaloosa, Arabian, Canadian Horse, Holsteiner, Lusitano, Paint Horse, Percheron Hanoverian Cross, Quarter Horse, Selle Français, Thoroughbred, Spanish Purebred (P.R.E.) and Warlander - is under the care of a 20-person stable team. Trainers, veterinarian, health technicians, groomers, and a farrier create a comfortable environment for the horses and provide daily health care, grooming, and activities.

At their retreat, the horses are surrounded by spacious paddocks, where they can bathe in the sun or roll in the mud. This interlude between shows is part of *Cavalía's* horse care and training philosophy, which is based on understanding the needs, preferences, and emotions of the animals, and on mutual respect, kindness, patience, and trust.

The world's largest touring show, *Odysseo* is a show unlike any other on the planet, an immersive theatrical experience in which horses are front and centre. Imagined by Normand Latourelle - creator of *Cavalía* and renowned for combining different forms of artistic expression and reinventing the scenic space - *Odysseo* is a veritable revolution in live performance that makes hearts race. Audiences of all ages will be transported on an epic journey to some of nature's greatest wonders by this breathtaking production that features the 65 horses plus 50 talented riders, trainers, acrobats, aerialists, stilt walkers dancers and musicians.
